

| Dust bag | Clean water tank | Dirty water tank |

To dust bag
Power supply 24V
Dust bag present micro-switch
110VAC suction fan (obscured)
Auto-empty duct
AC mains plug
Clean water tank empty Hall sensor
Docking IR sensors
Mop dry hot air

WiFi DreamLink DL-LLCC68-S
MCU GD32F303VCT6
Dirty water pump RK-370CA motor
Clean water pump RK-370SH motor
12V mop dry fan
Air heater (inside)
Clean water heater (obscured)
Clean water switch - vacuum refill / mop wash
Refill nozzle for vacuum water tank
Mop wash spray nozzles

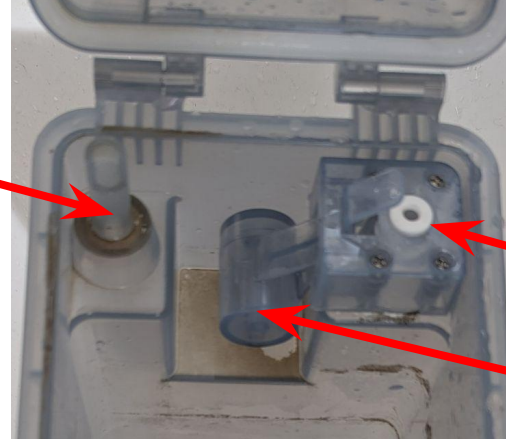

Air vent (tube to tray)

Dust bin (obscured)

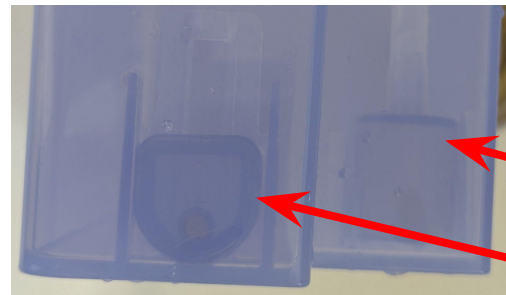

110VAC auto-empty fan

Auto-empty tube

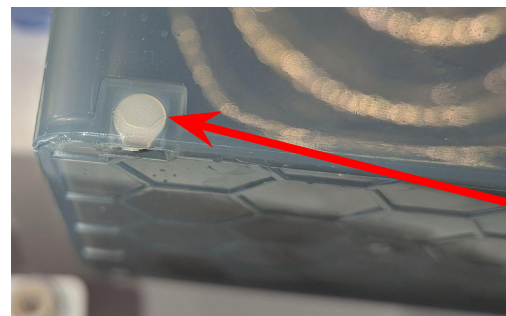

Dirty water inlet

Dirty water tank full floater with magnet (hall sensor obscured)

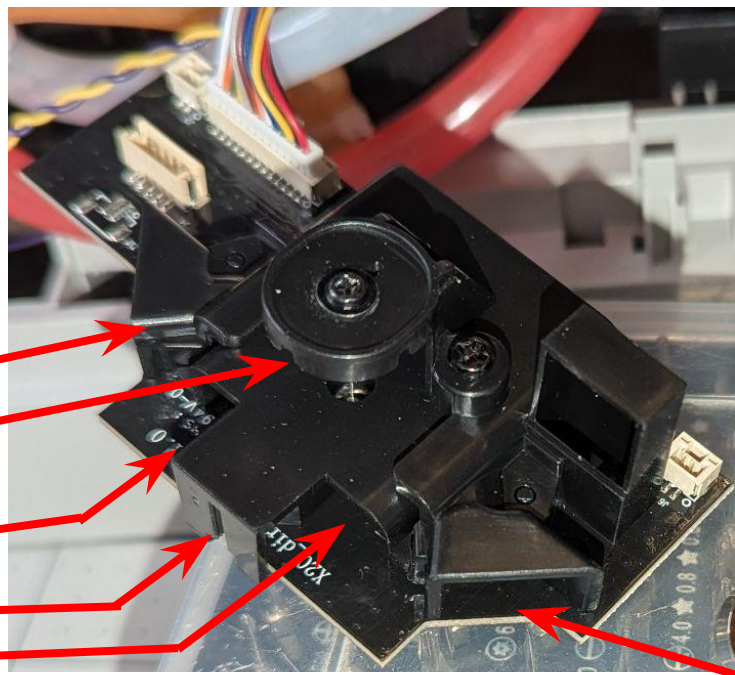

Clean water intake filter

Clean water tank not-empty floater with magnet (hall sensor obscured)

Water tank present magnet (hall sensor obscured)

- 45° IR sensor or LED
- IR sensor or LED with omni-directional mirror
- Left homing NIR LED
- Center homing NIR LED
- Right homing IR sensor or LED

45° IR sensor or LED
